

GENERAL INFORMATION

The Jebel Ali Free Zone Official Directory is the only official listing of JAFZA. Since its successful launching in 2003, the directory has been recognized as a reliable tool and important source of information about JAFZA and all its registered companies. Thus, every edition is being awaited and demand constantly upsurge. The primary objective of the directory is to bring together in one compilation all companies under JAFZA and provide business people an easy access to company details. In every edition, the quality of the directory is being improved and details are completely updated and cleaned up. The publication of Jebel Ali Free Zone Official Directory is part of JAFZA's constant effort in helping its registered companies reach the widest audience and make their presence in the market known worldwide.

BENEFITS OF THE DIRECTORY:

- Official and acknowledged by the JAFZA management
- Provides most updated data, information and statistics
- Worldwide distribution coverage
- Features exclusive information about JAFZA
- Reliable source of facts & highly classified
- Serves as a guide in doing business in Dubai
